

PGT Commercial manufactures products that deliver solutions for some of the most demanding commercial and residential applications in the industry. Our windows and doors are built to withstand and protect, providing strength that is second to none.

PGT Commercial meets the challenges of your biggest projects, like commercial high-end residential needs, including retail, condo, luxury high rises, multifamily, schools, hotels, resorts, healthcare, mixed use, and more. Designer friendly, impact resistant, and built to last — we lead with quality and reliability. Always.
